Lite Paper

Hi! I'm Zypster, your friendly guide to the Zypto ecosystem.

My job is to make crypto simple, fun, and useful – and to deliver incentives directly to you!

**zypto** Is powered by:

**ZYPTO COMPANY**  
builds the tools

**ZYPTO FOUNDATION**  
empowers the token

**\$ZYPTO TOKEN**  
brings the community power

# What Does Zypto Offer?

All-in-one app for real-world crypto use:  
Simple, powerful, and built to fit your daily life.

## Here's what you can do with the Zypto App:

- Use the Zypto App to store, transfer, swap, buy, sell and spend crypto
- Pay for real-world things using crypto cards
- Buy gift cards, top up your phone, or pay bills
- Join Zyptopia to unlock more perks, incentives and claim rewards.

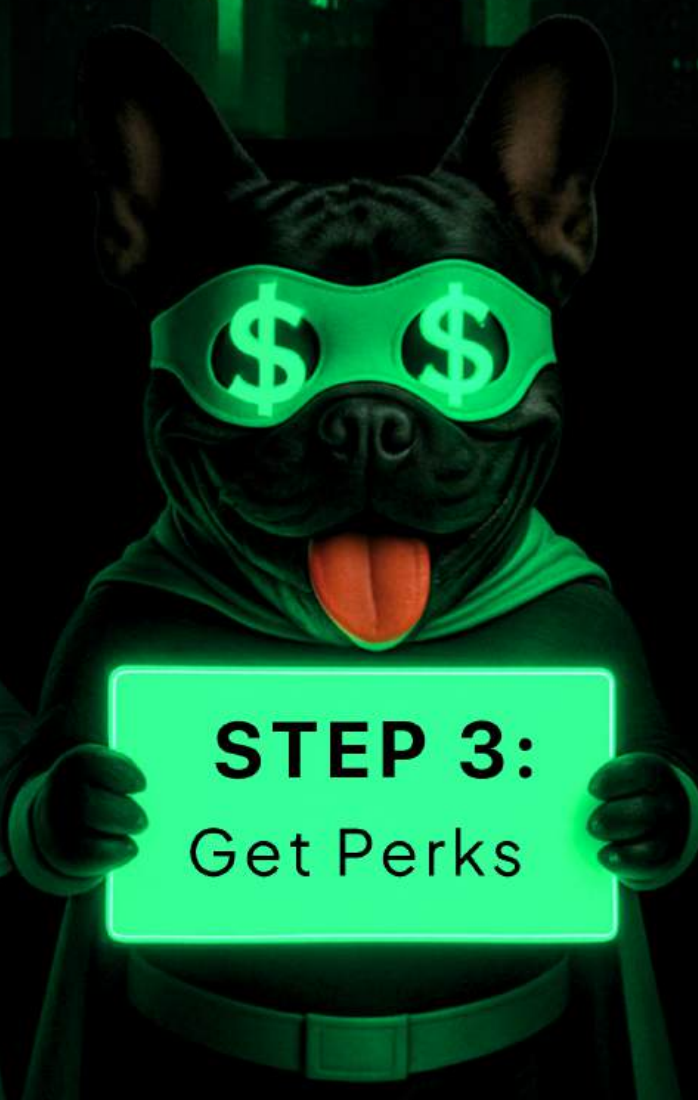

Zypto's payment gateway system, allowing companies to reliably process crypto payments.

How to join

# zyptopia

# How Incentives Work

Zypto Company sends marketing incentive contributions to the Zypto Foundation.

The Foundation also earns from Foundation Referrals; when users download the app from Foundation campaigns.

Then, the Foundation gives part incentives to me – Zypster!

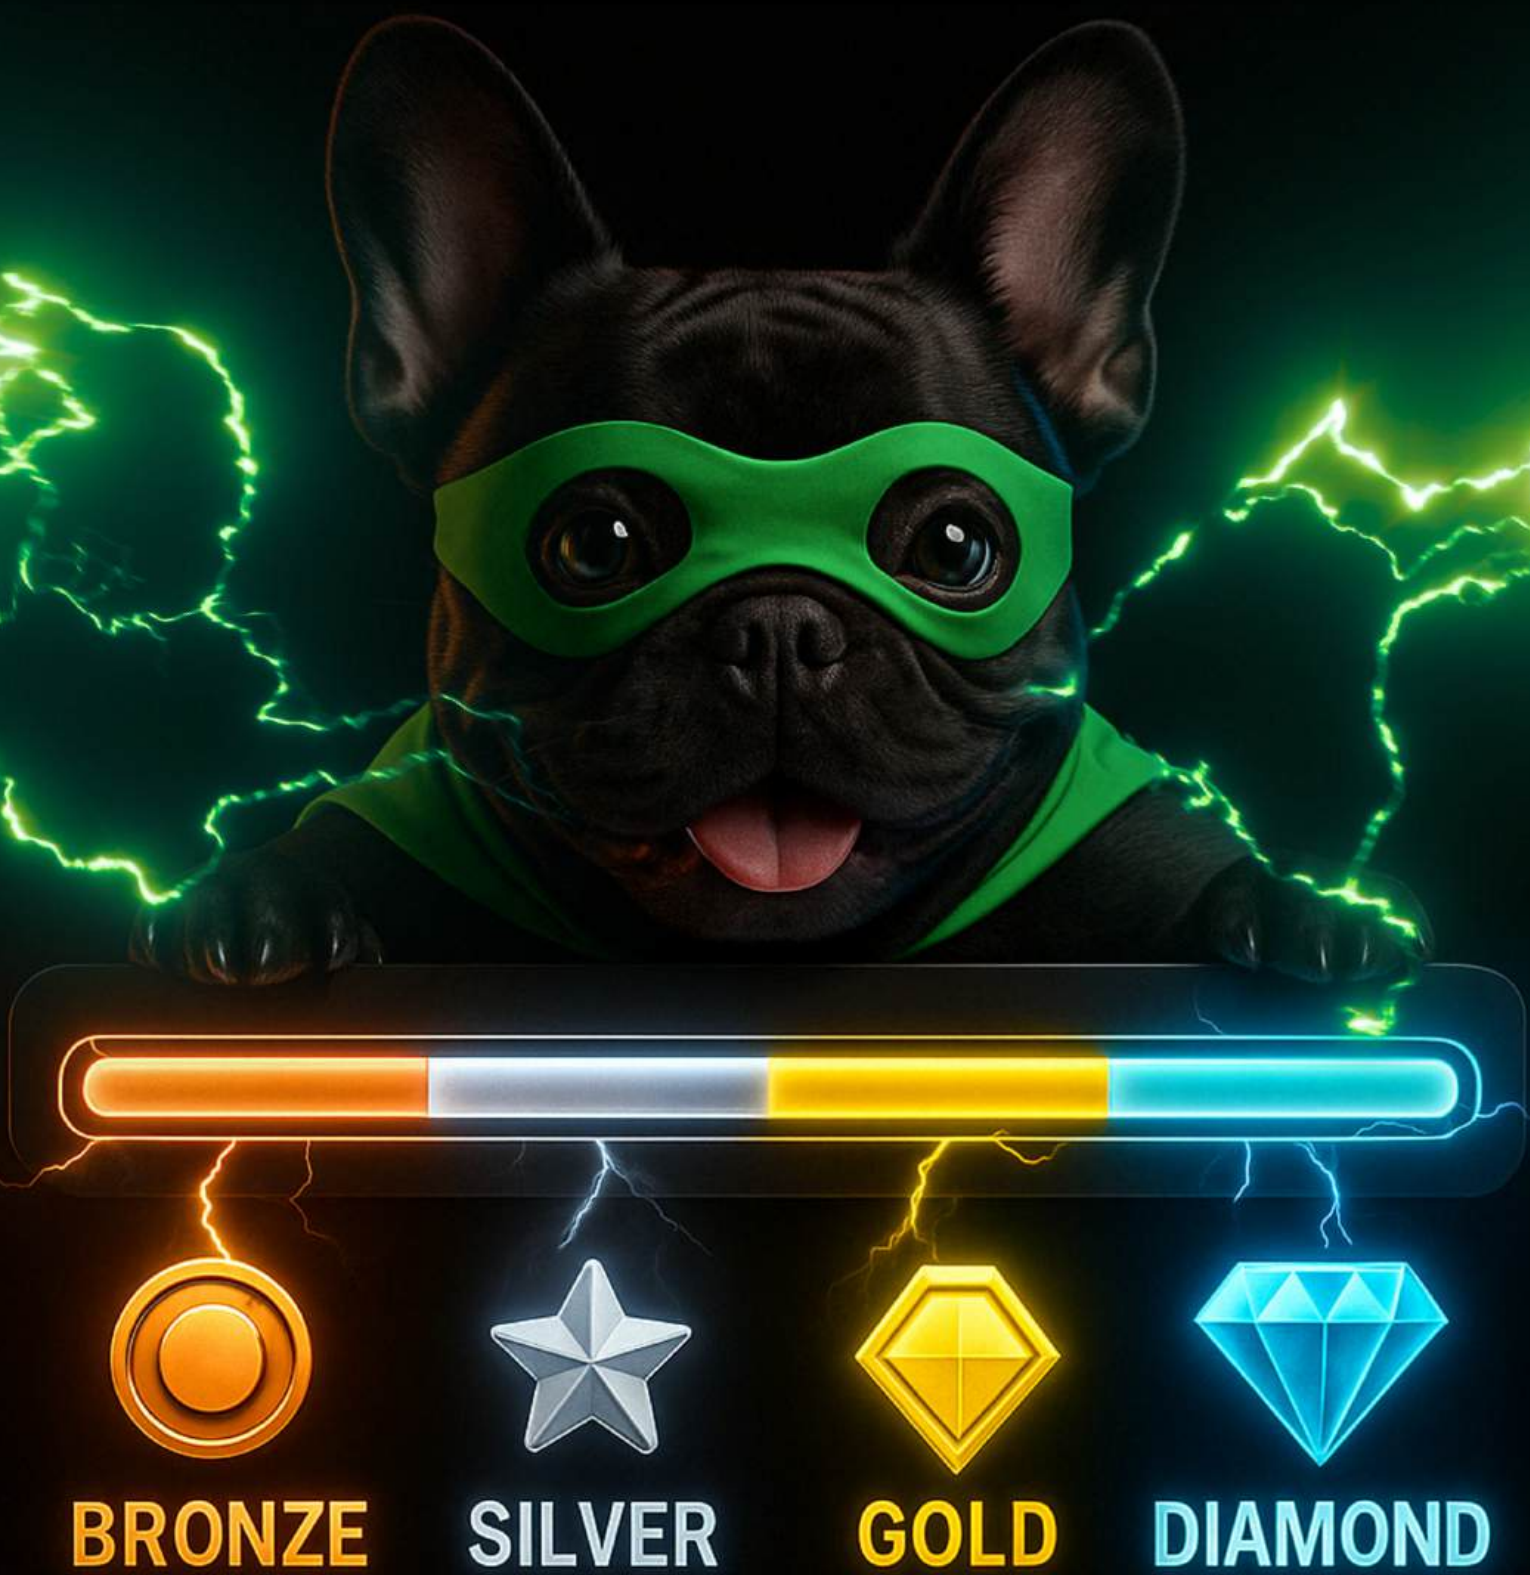

Most of the incentives go to the community. Some stay with the Foundation for big campaigns and ecosystem growth.

I zoom around the world delivering them to Zyptonians through the Zyptopia section of the app.

# Boost Your Perks with the Booster System

Zyptopia has a Booster System that gives you more perks as you grow.

You level up by:

Holding \$ZYPTO in your registered wallet

Accumulating more Zyp's points over time

Visiting Zyptopia and using Zypto products

Higher levels mean:

Better  
cashback

Lower  
fees

Bigger  
bonuses

Early access  
to promos  
and drops

# Community Power

Zyptonians decide how everything works.

You can vote on:

How incentives  
are shared

What projects  
to fund

Who helps lead the  
Foundation

Community decisions,  
marketing ideas, etc.

**You can also earn ZYP points by referring others — or by sharing the Foundation's link to support the whole community!**
